Candidates who neither chose Imo State University as first choice nor did change of institution to Imo State University, are not eligible to apply.

In addition, the University has introduced six new programmes following the unbundling of the Department of Mass Communication. The six new departments are: (i) Advertising, (ii) Broadcasting, (iii) Development Communication Studies (iv) Film and Multi-Media Studies (v) Journalism and Media Studies and (vi) Public Relations.

Candidates that applied to study Mass Communication are at liberty to change to any of the above programmes in the supplementary application form. Admitted candidates will be informed on when to do a change of programme on JAMB Portal.

However, the following candidates who applied for Mass Communication in the University have been offered provisional merit admission in the courses indicated below. They are not required to buy supplementary admission forms.
